PROJECTCATALOGUS
2020

Indigo Lighting, uw partner in verlichting.

Onze Projectcatalogus is vooral gericht op architecten en ontwerpbureau's. Veel meer dan louter een samenvatting van onze Algemene Catalogus, hebben we deze catalogus ontworpen als hulpmiddel om tijd te besparen.

Zo hebben we ons assortiment onderverdeeld in vier families: Residentieel, Café-Hotel-Restaurant, Retail en Exterieur, die op hun beurt opnieuw zijn onderverdeeld op basis van hun gebruik.

Onze Catalogus is een perfecte aanvulling op onze website indigo-lighting.com, waar u al onze armaturen in 360° kan ontdekken. Voor elk van onze referenties is een technische fiche beschikbaar met een simpele muisklik.

Als uw partner in verlichting begeleiden we u graag bij uw projecten (lichtstudies, stalen, ondersteuning ter plaatse, enz.).

En nu aan het werk !

REALISATIES

In dit hoofdstuk deelt Indigo een aantal buitengewone prestaties. Zo belichten we Indigo-armaturen op een andere manier en plaatsen we ze in de context van een project.

Wilt u een van uw projecten zien verschijnen in onze volgende catalogus ? Neem gerust contact met ons op : arnaud.quinet@indigo-lighting.com

Wandmontage alleen. Deze lamp verlicht 2 verschillende zones.

Wandmontage alleen.

Wand- of plafondmontage.

Inbouw Wandmontage alleen.

Alleen op de grond in inbouw monteren.

Alleen op de grond monteren.

Alleen op de grond monteren.

Product met hoofdisolatie, met een apparaat dat alle metalen delen die toegankelijk zijn met de beschermingsleiding verbindt.

Product waarvan die toegankelijke delen geschieden zijn van de actieve delen, door een dubbele of een versterkte isolatie.

Product aangedreven door een laag voltage (SELV) die niet groter is dan 50V (AC RMS).

CE gekeurd.

Label BBC (RT2012 Frankrijk).

De armatuur kan na de installatie niet bedekt worden, zelfs door een isolatie.

De armatuur kan na de installatie bedekt worden door een isolatie (niet ingespoten).

De armatuur kan na de installatie bedekt worden door een isolatie (overdekt of ingespoten).

IP 20 Bescherming tegen het binnendringen van lichaam >12mm. Zonder bescherming tegen water.

IP 23 Bescherming tegen het binnendringen van lichaam > 12mm en tegen verticaal vallende waterdruppels met een inclinatie van max. 60°.

IP 33 Bescherming tegen het binnendringen van lichaam > 2,5mm en tegen verticaal vallende waterdruppels met een inclinatie van max. 60°.

IP 67 Volkomen beschermd tegen het stof. Beschermd tegen de gevolgen van een tijdelijke onderdompeling.

IP 68 Volkomen beschermd tegen het stof. Beschermd tegen de verlengde gevolgen van de onderdompeling onder druk (2m).

IK 07 Weerstand : 2 Joule.
